

## HOW TO IMPLEMENT

# MOBILE ENDPOINT

### HOW TO GET STARTED

- Return the signed proposal to your sales rep
- Complete the onboarding form\*
- Attend an onboarding call with the implementation team\*\*

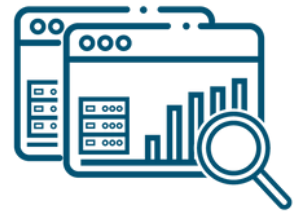

\*This ensures business rules are set-up properly

\*\*The call allows you to address any concerns before the "GO LIVE" date

### OUR RESPONSIBILITY

- We set-up your facility business rules and notes in the Parker Platform
- We also provide facility manager/s with the urls for each individual endpoint

### YOUR RESPONSIBILITY

- Take the provided URLs and create QR codes for each individual endpoint
- Add QR codes, necessary verbiage and branding to desired signage, equipment stickers, etc.

### MORE INFORMATION

**We want this process to be as smooth as possible!**

If you have additional questions or need more information on how to install your mobile endpoints, please contact us at [implementation@parkertechnology.com](mailto:implementation@parkertechnology.com).
