

Prepare for implementation with the help of our

Installation Checklist

Signed Agreement

Return your signed agreement to get started. You will not be charged for call center services until we take calls successfully.

Network Discovery

Testing and/or configuration is needed to be sure our solution is supported.

Onboarding Form

Submit the online questionnaire. This information informs how our CSRs handle your calls.

Kickoff Call

Ask outstanding questions, clarify facility information, and discuss any other concerns.

Payment Set-Up

Our primary payment method is to be paid via ACH. Alternatives are available upon request.

Fast-Track Your Install

A quick turnaround is possible with your collaboration. We are able to get facilities up and running in as little as 72 hours. Hardware installation may require a longer turnaround.
